

DIGITAL IMAGE PARENT CONSENT FORM

South Devon School of Gymnastics
The Rotunda, Oldway Mansion, Paignton, Devon, TQ3 2TS

Digital photos and video are exciting new media which can motivate and inspire gymnasts. Using digital images can help encourage creativity, motivate and enthuse gymnasts.

We ask that parents consent to their child taking part in the production of digital photos and video and promotional material. With regard to taking publicity photographs of children in gym the following policy has been proposed:

1. Coaches remain aware of possible Child Protection issues when taking photographs of children and where these photographs are used.
2. Parents are happy to trust the judgement of coaches in publishing pictures of gymnasts in normal situations in publications such as newsletters, brochures, Herald Express, Club web-site etc. without asking for specific permission each time.
3. Gymnasts may be identified in these publications to celebrate their achievements.
4. Whereas the risks of using digital images are minimal, the club has a duty of care towards members. Gymnasts in photographs published on our website, www.southdevongym.co.uk will NOT be named or identified in any way, if the parents request, other than by "group" at Gym / Competition i.e. "Bronze Medal Team" etc.
5. Parents are requested to complete this permission form "Digital Image Parent Consent Form" to confirm their agreement with this policy whilst their child attends South Devon School of Gymnastics.
