NEWSLETTER JAN 08

Happy New year to you all. Welcome to new members and welcome back to our existing members.

Holidays This year as you are probably aware the Easter Holidays are split as Easter is so early. This has caused us some difficulty setting our holiday dates. We have decided to close for the full week actually at Easter (as we would have to close to cover the religious part) so our Easter Holiday will be from Thursday 20th March to Wednesday 26th March 2008 inclusive.

Competitions Congratulations to all the girl's who competed earlier this month at the Buddy competition held at Exeter. This competition level is set between recreational and county. Please see the board for full results. These, as with all our other results, are reported to the local paper for inclusion in one of their issues in the sport section. Please keep a look out. In February our squad boy's will be in action in the Devon Boy's Team competition and in March we will be entering the South West compulsory grades. The Teign View recreational competition is being held over the weekend of the 15th/16th March a letter regarding this will be sent out shortly.

Committee As you are aware we recently held our Annual General Meeting, thank you to those who attended. At this meeting 2 new members were voted onto the committee but we feel that we need more members who represent the recreational and pre school sections of the club. If you feel you may be interested please arrange to speak to either Nicci or any member of the committee who will be able to fill you in on what is required of a committee member. Minutes of the AGM will shortly be posted on the notice board in the parent's room.

Parent's room A big thank you to you all for making use of this room, the corridor has been a much safer place recently for our gymnasts. Have you read the items on the notice board? Do you have any idea's to improve this area?

Open sessions This term these will be held during the week beginning 11th February please come along and watch your child.

If any of you have any thing you wish to ask or discuss with the management team or your child's coach please feel free to do so, we are always around and would be pleased to talk to you. We operate an open door policy and coaches are available for quick chats before or after your child's sessions but if you feel you want a longer chat or to see any member of the management team please arrange a convenient time.
