9th January 2007

Dear Parents,

In October we wrote to you about our future at Oldway Rotunda. It has now been confirmed by the council that we will have to leave the Rotunda by the end of March this year.

The long term future looks very good for the club. We have had several meetings with the council and are assured that the new gym development at Clennon Valley is going ahead, planned for completion in early 2009. The development is funded by the Primary Care Trust (PCT) and there are ongoing meetings with the PCT architect to define and finalise the gym layout. In the meantime we are planning to move to a 'temporary' premises which is being organised at the moment.

We aim to move towards the end of March and would like to assure you that we will endeavour to deal with the transition with the minimum disruption.

We will keep you informed of any temporary alterations to timetables whilst we move.

We would like to thank you for bearing with us and will of course keep you informed. If you have any concerns please do not hesitate to talk to either of us or any member of the committee.

Yours truly,

Chris Hartt
